### New Quilt Teacher! Welcome Stephanie Baker

We are very excited to have Stephanie Baker, Certified Quilting Teacher for Judy Niemeyer's Company Quiltworx teach at our store! The Judy Niemeyer company sells a line of intricate paper-pieced quilt patterns that are just beautiful.

Stephanie was born and raised in Central NY and currently lives in Oswego. At a young age Stephanie was introduced to sewing by her mother.

The opportunity to share her passion and knowledge of quilting with friends and family began when her mother opened a quilt shop. That's when Stephanie knew one day she would enjoy teaching regularly. After searching for a paper piecing class online she instantly fell in love with Judy's designs and techniques and began working toward becoming a Certified Instructor with Quiltworx.

Now that she has reached that goal she plans to complete and teach Quiltworx patterns as often as possible.

With her quilting experience, laid back personality and a passion to share her knowledge and enthusiasm of Quiltworx patterns, Stephanie offers a classroom setting that is enjoyed by all quilters. Stephanie's goal is to help people achieve success one quilt at a time.

Stephanie is offering a one-day introduction class to the Quiltworx system called Tea Time Placemats. You will begin with a lecture/demo in the morning to understand the method, discuss fabric choices and how to achieve stunning results before jumping in after a short lunch break to make your own placemats!

After falling in love with the results, she is offering a 6-month Block of the Month project which is a new quilt for 2017 called Vintage Rose. Each month will be a new technique and you will be well on your way to making your own award worthy quilt!

Stephanie will be here for our Preview Party with a trunk show of her award winning quilts that are just stunning and very inspiring! She will be taking sign ups for her classes that day as well.

### About Time Doug!

Well, it's been a while but one of the store's original employees from 1993 has recently rejoined our staff and taken over our repair department! (Jackie is still dancing and doing cartwheels about Doug's return.)

Machine repairs and maintenance cleaning service time has improved dramatically. You can even make appointments for service if traveling from out of town! Service related machine questions can now also be directed to Doug as well as Jackie.
