### Yardage Requirements

#### View A

This view is like View B but without the pocket. It is 2½" shorter than the master pattern. (And 2½" shorter than view B.) Recommended fabrics include lightweight cotton, lightweight linen or linen-cotton blends. Finished back length of this garment is listed below.

Size	4	6-12	14-22
44/45" wide	2½ yd.	2½ yd.	2½ yd.

Finished back length from base of neck

4	6	8	10	12	14	16	18	20	22
26½"	26½"	27"	27½"	27½"	27¾"	28"	28½"	28½"	28¾"

#### View C

Recommended fabrics include lightweight cottons, lightweight linen or linen-cotton blends. This version has a short sleeve and uses a contrast fabric for the collar. Finished back length from base of neck is same as View A.

Size	4	6-12	14-22
44/45" wide	1¾ yd.	2 yd.	2½ yd.
Contrast	¼ yd. all sizes		

#### View B

This tunic length shirt looks great in lightweight cottons and linens. You can also make it out of decorator weight fabric for more of a jacket look. Just be sure the fabric is not too stiff. Finished back length of this garment is listed below.

Size	4	6-10	14-22
44/45" wide	2½ yd.	2¾ yd.	3 yd.
52/54" wide	2 yd.	2¼ yd.	2¾ yd.

Finished back length from base of neck

4	6	8	10	12	14	16	18	20	22
29"	29¼"	29½"	29¾"	30"	30¼"	30½"	30¾"	31"	31¼"

#### View D

Recommended fabrics include lightweight cottons, lightweight linen or linen-cotton blends. This version uses a combination of fabrics. Finished back length from base of neck is the same as view A.

Size	4-12	14-22
Main fabric	1¾ yd.	2½ yd.
Contrast	¼ yd. all sizes	
*Piping	¼ yd. all sizes	

\*Additional yardage is needed if, for design reasons, you want your piping cut on the bias.

#### All Views

1 yd. lightweight, non-woven interfacing such as Pellon® 905.
