### Embroidery Block of the Month

Choose from Lap size (60" square) or Bed size (84" square).

We are using the yardage listed on the embroidery packet for the Lap size, however we have simplified our sample by only using 6 different fabrics (2 are ombres, aka fades) for our quilt and just 5 different thread colors. Refer to the packet if you want to use the 13 fabric option.

Our quilt colors are Purple, Orange and Green. Choose the 3 base colors for your quilt and substitute those colors on the supply list.

For the Embroidery thread, you will need a color to go with (but not match in value) your background (Purple in our sample) and then one light and one dark thread each from your other two fabric colors.
