# 2019 Fall Embroidery Retreat Weekend

## Saturday & Sunday – October 26 & 27

### 10am – 4pm each day

Join us for two fun days of sewing and embroidery! We will be using the Anita Goodesign Express design CD packets for the projects. The three we are using are:

- Holiday Peeking Pot Holders
- 3D Ornaments
- Valentine Embroidered Cards

Each packet teaches a different technique, and then we will be finishing a project with each one! You can substitute your own designs for the Embroidered Cards so you can make them for all holidays or birthdays! All of the projects look like a whole lot of fun and it's a great opportunity to bond with some of the features on your embroidery machine!

The cost for our 2-day retreat is \$100.00 and includes box lunches each day (beverage and snacks will be available throughout the day as well), three Anita Goodesign Express CD Packets (valued at \$29.95 each) and all of the instructions to complete the weekend projects. The CDs are multi-formatted so all machine brands are welcome!

Anyone owning a sewing and embroidery machine is welcome to attend. The embroidery machine must be able to read at least a 5"x7" embroidery design, however some of the projects call for a larger hoop size so you may need to finish your project using a regular sewing machine. We will provide instructions for finishing with a sewing machine. Class samples and supply lists will be available soon.

Stop in or Call to reserve your spot! Space is limited.

Cost for the 2 days: **\$100**
