

## Introduction to Ruler Work

This class is for people who would like to learn the basics of using rulers on domestic sewing machines. Attaching and adjusting the foot, proper thread tension and stitch length will be covered. We will be working on practice quilt sandwiches and using Westalee Rulers for the class and will work with all the rulers in the 6 piece sampler set as well as the 12" starter arc. We will be working on sample sandwiches and will cover the designs that are featured in the class sample - we will not be creating the sampler in class. Sewing directions for the sampler will be provided. Please see supply list below for what is needed for the class.

\$40.00

### **SUPPLIES**

#### **RULER FOOT**

If your machine brand produces a ruler foot it is recommended that you purchase that specific foot. If your brand does not produce a foot you need to purchase the proper Westalee Foot **PLEASE NOTE:** When ordering templates please indicate if your ruler foot is High, Medium or Low Shank.

#### **REQUIRED RULERS**

**Westalee Rulers 12" Starter Arc** (if you already have a ruler foot produced by your machine company purchase this ruler **OR** If you are purchasing the **Westalee Domestic Ruler Foot Starter Package** this will include a ruler foot and the 12" Starter Arc)

#### **Westalee 6 Piece Sampler Template Set**

PLEASE NOTE: When ordering templates please indicate if your ruler foot is High, Medium or Low Shank.

#### **Required for all participants**

Westalee Spacing Gauge (WA-SPG)  
Stable Tape - 5 pack (WA-ST5)  
four quilt sandwiches (approx 16" x 16") Top fabric (light colored solid or tonal, muslin is great), batting and backing.  
90/14 top stitch needles  
Single Hole Stitch Plate  
small thread snips  
small rotary cutting ruler to mark lines/squares (3" x 18" or 4" x 14" are fine)  
Pen/pencil to mark/write on your quilt sandwich  
manual for your sewing machine
