You'll learn the basics of quilting, piece your quilt top, add borders properly and load your quilt on to one of our longarm machines to machine quilt! We'll even cover binding application and have some fun along the way. The quilt pattern is super easy for the first time quilter, plus has a different twist to interest the more experienced quilter. So take a three-day break from work and walk off with a completed quilt!

(3) Tues 02/06, 02/13 & 02/20 10am - 4pm daily or

(3) Sat 03/10, 03/17 & 03/24 10am - 4pm daily

\$75 includes lunch each day Level 1

Boot Camp 2

For those who have completed Boot Camp 1, we have a new quilt for you to complete in 3 days! You'll enhance your longarm skills to include a simple shape after doing more precise piecing and cutting. We'll show you an easy way to attach your binding!

For those who have completed Boot Camp 1 and Boot Camp 2, we have a new quilt for you! We'll be making the Scenic Route Quilt which will give you plenty of practice with working on the bias, and then it's off to the longarm room to try a pantograph pattern using a laser guide.

Then we're off to the longarm room where you will use a stencil to mark a fancy border design to follow with the machine as you quilt. This technique is a real test in spacing and machine control, so it won't be super easy. Anyone can do this, but if you chicken out at the end you can always quilt as you desire. Pre-Cutting with the AccuQuilt Go!Big Electric make this quilt super easy.
