We'll even cover binding application and have some fun along the way. The quilt pattern is super easy for the first time quilter, plus has a different twist to interest the more experienced quilter. So take a three-day break from work and walk off with a completed quilt!

Boot Camp 4 \$80 (bring your lunch) Level 2/3

Then we're off to the longarm room where you will use a stencil to mark a fancy border design to follow with the machine as you quilt. This technique is a real test in spacing and machine control, so it won't be super easy. Anyone can do this, but if you chicken out at the end you can always quilt as you desire. Pre-Cutting with the AccuQuilt Go!Big Electric make this quilt super easy.

Just enough of a challenge to keep your interest, but in the larger size for a true bed-quilt. You choose stipple or free-motion edge-to-edge quilt method at the long-arm machine.
