

News, Sales and Summer Class Schedule

What's News this Summer?

HandiQuilter Amara 20" longarm

Sadly, still in boxes but soon to be up and running! Stop by to see this new longarm quilting machine!

Welcome our new Staff members!

The unfortunate closing of Patricias' Fabric House has prompted a pleasant and surprising increase in staff here at Jackie Lynn's!

We are excited to work with Annette D, Annette E and Luba who have joined our family!

Annette D is teaching and demonstrating quilting techniques and tools and is fantastic at helping customers pick out fabrics for their quilt projects.

Annette E, also a quilter and instructor, will be heading up the fabric division of our store, its daily operations, coordinating classes, Facebook posts, all local Guild events and special in-store events.

Luba is a "Serge Queen" who is very knowledgeable in fashion fabrics and garment sewing.

Things have been going great since their arrival and we're making some upgrades and changes to the showroom and store.

We look forward to many happy years quilting, sewing and having fun with our new friends!

Quilt Retreat Weekend

Diane and Jackie are looking forward to some amazing quilts made at this summer's retreat weekend!

We hope you can join us Saturday and Sunday, August 11 & 12 as we make a Stack 'N Whack 4-Patch Posey quilt! If you've never made one, you will stack the same fabric print on top of one another and cut it in a way that creates a kaleidoscope block. This effect creates the most visually stunning quilts, and they are addicting!

Retreat costs \$60 (includes teaching fees, pattern, lunch each day, beverages and snacks). Sign ups can be made in person, on our website or over the phone.

Brother Embroidery Project book for the Dream Machine

Brother has released a project companion book for The Dream Machine!

The book features six in the hoop projects created entirely in My Design Center on the machine. The book takes you step by step through creating the designs (including the files) and how to stitch out the designs.

These books are in stock on sale at \$69.99.

The Great New York Shop Hop 2018

We've joined up with 15 other shops across western New York for a fun 12 day quilting hop experience!

Starting Tuesday, June 5th through Saturday, June 16th visit any one of the 16 participating shops to pick up your free passport and pattern bundle gift (\$30 value courtesy of Quiltwoman.com patterns). Bring your passport to each shop on the list during the hop dates to get it stamped. Leave the passport at the final shop on your tour and you will be eligible for some fantastic prizes!

As an added bonus, each participating store will have an in-store drawing for a \$100 gift basket. You must fill out a separate drawing slip at each shop to be in the drawing for their basket. The more stores you visit, the better your chances for winning!

You'll also receive a 15% discount on regular priced bolted fabric cuts of 1/2 yard or more.

Like us on Facebook!

Annette E is active with our Facebook posts (unlike Jackie ☺) and plans to keep everyone in the loop for new products, events and classes. She even responds to questions on the page in a timely manner! Amazing!!

You'll learn the basics of quilting, piece your quilt top, add borders properly and load your quilt on to one of our longarm machines to machine quilt! We'll even cover binding application and have some fun along the way. The quilt pattern is super easy for the first time quilter, plus has a different twist to interest the more experienced quilter. So take a three-day break from work and walk off with a completed quilt!

Then we're off to the longarm room where you will use a stencil to mark a fancy border design to follow with the machine as you quilt. This technique is a real test in spacing and machine control, so it won't be super easy. Anyone can do this, but if you chicken out at the end you can always quilt as you desire. Pre-Cutting with the AccuQuilt Go!Big Electric make this quilt super easy.
