### Quilt Club 2020

*This year's project has 3 size options:*

*72" x 72" (as per sample)*

*72" x 90"*

*90" x 90"*

*There are also 2 levels of difficulty; we chose the "simple" quilt as shown and the yardage below is based on this view. Those choosing the challenge view should refer to the book for the correct yardage.*

*A confident beginner with accurate seam allowances will enjoy making this quilt. There is also a challenge to the quilt that adds another element of triangles and contrast squares which is more detailed and slightly more difficult to sew. Once you make those decisions, the book gives you multiple layout designs for the blocks.*
