Triangles Galore

This pattern uses the Triangle Pizazz technique to create a quilt full of spinning triangles in four different sizes - and its fat quarter friendly! Give this quilt a scrappy look by using many bright fat quarters or pick your favorite coordinating colors for a more subtle appearance. Whichever direction you select, you are bound to end up with a sensational quilt!

Four project sizes: Crib (34"x 50"), Lap (54"x 68"), Twin (68"x 97"), and Full (82"x 97")

Required tools: [Tucker Trimmer III](#)
